FEBRUARY 2022 NEWSLETTER

**IN GOD'S STRENGTH, TO BRING JESUS TO THE CENTRE OF OUR LIVES
AND TO THE HEART OF OUR COMMUNITY**

Welcome!

Whether you have come to St Saviour's or to St Paul's, whether you are here as a visitor or someone who has worshipped here for a while, welcome! It is good to have you with us today. The advantage of being a Parish of two churches means we can offer a variety of worship styles - and starting times – to suit most people. It also makes us like any normal family, a mixture of all sorts. What holds us together is a shared faith in God, and our commitment to live for him.

Rev Ben Goodyear

Here is our Sunday service information:

St Paul's Church

8am every week there is a traditional, said Holy Communion (1662 Book of Common Prayer).

11:15am morning service. The usual pattern is this: on the first and third Sunday of the month we celebrate Holy Communion (HC) using services from Common Worship, with groups for children up to 14 years. On second Sundays we usually have Morning Worship (MW), also with children's groups. The fourth Sunday's service (WT) is a much shorter service and is aimed at people of all ages. You are welcome to go with young children to the crèche at any point.

5pm The Five – an informal and interactive evening service every week. We begin by chatting together over pizza and drinks as we arrive. Then, after some singing, the sermon usually involves breaking out into smaller groups to discuss questions together. There is then some more singing and a chance to receive prayer.

St Saviour's Church

9:30am We follow the same service pattern as the 11.15am service. More than that, the same people preach the same sermon! The main difference is that whereas St Paul's has a choir and organ, St Saviour's has a more informal music group and a supervised crèche during term time as well as children's groups for young people up to 14 years. St Saviour's also works in close co-operation with the Parish's school next door.

3pm Messy Church service on the last Sunday of every month. Join us for crafts, games, and a light supper.

Flower arranging at St Saviour's

We are looking to raise up a team of flower arrangers at St Saviour's. Please contact Kelly Stephenson if interested.

The Robes Project

Would you like the opportunity to give some practical help to someone on their journey out of homelessness? Throughout this winter, the Robes Project is assisting people experiencing homelessness by providing individual accommodation in a hostel in Canary Wharf, and advice and support to rebuild their lives. We can help too, by providing welfare packages to Robes guests in February and March. Each package will cost around £10. You could shop and make up a package yourself, or pay for a package to be made up, or help with the delivery. If you would like to contribute, please get in touch with Mary Ollard at mary@ollard.plus.com for more details.

Godspeed course

A Tuesday morning homegroup for women is starting the 8 week Live Godspeed course from *Tuesday 22nd Feb*, 9.30 to 10.30am. Godspeed is a highly recommended course looking at stability, parish and slowing down. "Through Bible Study, video, and directed conversation, your small group can further explore the pace of being known." Contact Gill for more details.

Bereavement support

The parish is taking steps toward becoming a more Bereavement Friendly Church, and there are resources for those who've experienced loss, and for all of us who support them, at the back of each church. Take a look! And watch this space for information about a 6 week course we are hoping to run from March, called The Bereavement Journey.

Lent course - Unanswered Prayer

Following the success of the first Prayer Course, these five sessions go deeper, provoking honest conversation around the hardest and most personal questions we all ask about prayer. It will run on Monday nights at 7.30pm starting on *7th March* at St Paul's in the welcome space.

Find out more about the course at

Fairtrade Fortnight 2022

Monday 21st February - Sunday 6th March

For almost 30 years, farmers in the most vulnerable countries have been the fundamental reason Fairtrade exists. The climate crisis is now one of the biggest threats to their livelihoods even though they have done the least to cause it.

We warmly invite you to join our own Eco Church action (Green and Fairtrade) group (do speak to Trevor Tayleur, chair). There are huge possibilities for what we ALL as a community can do. We can change what we eat, buy and drive. We can change to a green energy provider. We can "joy in enough". We can campaign urgently and contact our MP Helen Hayes to hold the government to its COP 26 promises, not allow any more fossil fuels development and commit financially to compensate communities already affected by climate change. And we can buy lots of fairly traded goods!

There will be Traidcraft stalls after the 9.30am and 11.15am services on *27th February* at both churches. Or contact Jennie Brindley on 07713 541522 if you'd like to place an order.
